17:30-19:00, Booth 40,
The UN-Water Pavilion,
World Water Week,
Stockholm, Sweden

Please mark your calendar for:

Reaching Scale with Equity: Innovations and Early Learnings

USAID and WSSCC, in partnership with Sida, will share innovations within collective behaviour change programmes that can address the challenges of universal sanitation and hygiene, and present practical means of achieving SDG 6.2 through direct implementation and policy adaptation.

Please RSVP to ceridwen.johnson@wsscc.org

A detailed programme with speakers will follow. Refreshments provided.
