

PUTTING MENSTRUAL HEALTH ON THE 2030 AGENDA

**A side-event organised during the
United Nations' High-level Political
Forum on Sustainable Development
(HLPF), 2018**

During the side-event we will discuss relevance and opportunities to advocate for menstrual health (MH). We will explore how to link advocacy for MH across sectors and SDGs on a national and global level. We will share good practices from Bangladesh and Kenya and explore how MH can be prioritised and integrated within the SDG framework and national policies.
