Dear Friend,

**The Water Supply and Sanitation Collaborative Council (WSSCC),
Global Citizen, The Government of Qatar, and Education Cannot Wait**

invite you to a special event:

**Sanitation for Education and Health –
An integrated approach to human development**

taking place alongside

The High-Level Political Forum

on

THURSDAY, JULY 12, 2018

Conference Room 9 in the UN Conference Building, New York

1:15 – 2:30 PM

Please join us for an engaging discussion to foster sharing of concrete and innovative multi-sectoral approaches with a focus on the nexus of sanitation, education and health. This unique event will seek to inspire a multisectoral approach to implement the SDGs at all levels, while emphasizing the high return on investment for sanitation and hygiene.

For this event, you will join:

Mr. Ali AL Dabbagh, Executive Director, Corporate Strategy, Qatar Fund for Development

Ms. Yasmine Sherif, Director, Education Cannot Wait

Mr. Kepha Ombacho, Director, Public Health, Ministry of Health, Kenya

Mr. Rolf Luyendijk, Executive Director, WSSCC

Ms. Madge Thomas, Director, Global Policy & Government Affairs, Global Citizen

Please note this is an official HLPF event and therefore guests must have a valid UN ground pass or be registered for the HLPF to enter the UN building for this event.
